Message from the Youth and Community Hub Co-ordinator Sarah Mulhall

The Hub Bromsgrove is currently closed due to the on-going social distancing measures put in place. However that doesn't stop our passionate youth workers! We are now running online youth clubs via zoom. We book these sessions with young people via our social media 'The Hub Bromsgrove'.

Our sessions are Monday-Thursday between 4 and 8pm. We play lots of games such as scavenger hunts and do quizzes. We also talk and support each other through these difficult times. If you are a young person who'd like to join, please send us a message via our Instagram/facebook/twitter.

Parents and partners can also message for more details or call Saz: 07827 917211.

London Trip

Members from the 'Youth Council' group went to London to do a trip around parliament, the young people really enjoyed your tour around and felt like they had learnt a lot. The young people also found time to make a visit to Covent Garden to do some shopping.

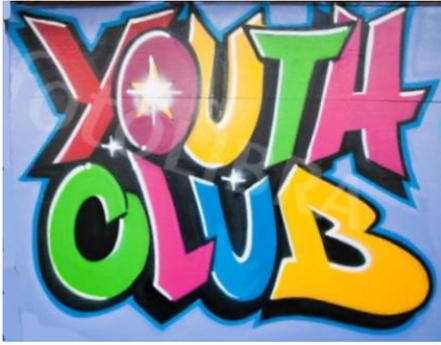

David Morgan Trust

The music project has been running on a Wednesday from The Hub since October 2018, allowing young people the opportunity to learn instruments and singing at no cost. This project has been secured for a further year thanks to the David Morgan Music Trust.

Catshill Youth Club

A new youth club has been opened in Catshill, it launched on March 5th. The youth club is supported by the local councillors and police. The first few sessions have started really positively with the young people that have attended, they've held film nights and gaming nights.

February Active Kitchen went really well and saw a number of new young people attending the sessions across Catshill, Sidemoor, Rubery and Charford.

With some funding from the Morrison's Foundation we have purchased new cooking equipment to be used at The Hub with the Young People to help them develop their cooking skills. The sandwich maker was the first item we bought and it was extremely popular!

The Hub has been successful with a £1000 from the Bromsgrove District Council Equalities Fund. This money will allow the Hub to fund its Youth Council and the LGBTQ youth group for the next year.
