Message from the Youth and Community Hub Co-ordinator Sarah Mulhall

Thank you to everyone who planned and attended our 1st year birthday party! It was a very popular and well organised event, young people came from all over Bromsgrove and we had food, music and lots of activities. Well done to the Youth Council for organising this and promoting it. Our LGBT+ group is very happy to have been invited to Worcestershire pride again this year, we had a fabulous time in the parade and running our own stall.

Recently our groups have become very busy and we are happy to see lots of new people attending the venue, everyone is welcome between the ages of 11-25. In particular the music group is becoming very popular and you guys are incredibly talented.

The Hubs AGM

We are pleased to share that in October we were happy to hold our first AGM, following the opening of the Hub last year. The day had two elements to it, first a professional event was held in the afternoon, which allowed us to share all the positive work we have been doing to support young people in Bromsgrove over the past year. Then in the evening we held a celebration event for all the young people that have been involved in the hub over the past year. The celebration saw such activities as glitter tattoos, mocktails, chocolate fountaining, board games and a DJ. This event was really well attended by the young people who loved being able to celebrate together.

Trip to recycling centre on 1st Nov

With funding from Cllr Webb the young people were able to attend the recycling centre and were able to learn all about the method of recycling within their local area.

During the half term in November we were able to launch an active kitchen in Rubery. This is the last area in Bromsgrove which didn't already have an Active kitchen so we are really pleased that more young people will be able to benefit from the delivery of a future session during the school holidays.
