

SPRING 2019

NEWSLETTER

Message from the Youth and Community Hub Co-ordinator Sarah Mulhall

The Youth Council worked really hard so far in 2019 to make some amazing things happen! Well done to you all – the funding you gained from Big Lottery Fund will be used on groups at The Hub, and trips and events.

The May Hub Day arranged by the Youth Council and partnership agencies was a huge success, we estimate 500 people attended, an overwhelming majority of these were families, many young people volunteers at the stalls, or attended with their families. We have a number of events coming up this year, we can't wait to attend with you all.

The Hub is really pleased to share that it has been successfully with the Awards for all funding from the Big Lottery. This will enable the Hub to now support its sessions with sessional youth workers.

School sessions at South Bromsgrove High School will be starting this term with young people from all the age groups across the school to support them with their mental health

**North Worcestershire
Community Safety Partnership**

The Hub has been successful with Funding from the Safer Bromsgrove Partnership to fund a new and exciting project called Empowering Young People. This project will allow work to be done with the most vulnerable young people, who are at risk of CSE, County Lines and unhealthy relationships. The group sessions will be offered to young people attending both South and North Bromsgrove High School.

Active Kitchen saw over 10 young people attending in the Charford area, offering those who would normal have school meals to not go without. The February half term saw the launch of the active kitchen in the Catshill area, allowing more young people to benefit from the scheme

Launch of the Sidemoor youth club

The Hub is very excited to share that in partnership with Sports Development they have provided funding, they are launching a youth club in the Sidemoore area which will have a focus of holding activities around multi sports. This great new group will be running from New Songs Community Church

May Hub Family Fun Day

The Hub in partnership with West Mercia Police, Basement projects, Sports Development team and other voluntary groups hosted a family fun day in Sanders Park in May. The weather was kind to us and gave use sun shine which helped encouraged families to come out and support the event. As part of the event such as activities as sports, glitter tattoos, arts and crafts and cookie designing where on offer for those attending.
