

SUMMER 2019

NEWSLETTER

**Message from the Youth and Community Hub Co-ordinator Sarah Mulhall**

**We were invited to attend Bromsgrove Carnival, we joined the parade and everyone was fantastic. Our music stopped work, but that didn't dampen our spirits! Thank you and well done to all the young people who got involved in that event and volunteered on the day. The Youth Council were invited to attend a trip to West Midlands Safari Park, this trip was a thank you for all their hard work in the last year – we couldn't have held our groups and events without you.**

**Our new school based groups, have been going really well and we are hopeful to continue this work with the local high schools for the future.**

## MORRISONS

The Hub was successful in getting the Morrison's Foundation grant, this money is to support a cooking group for the young people that attend the centre. The young people have been asking to learning new cooking skills since the Hub has opened, so this money will allow the young people to do an activity that will teach them future life skills.

The Active Kitchen sessions over the summer saw a large number of young people attending all the sessions across the district. The nice weather over the summer helped the sessions to be combined with outside sports activities.

## Safari Park Trip

With funding From Cllr Webb the young people were able to attend a trip to the West Midlands Safari Park. Despite the weather on the day the young people really enjoyed their time at the Safari Park, especially enjoying their time on the rides in the theme park.

Saz can you add some picture please
